

## **City of Bloomington Common Council Jack Hopkins Social Services Funding Committee**

05 March 2018

Dear Social Services Agency:

The City of Bloomington Common Council's Jack Hopkins Social Services Funding Committee invites social services agencies serving the needs of City of Bloomington residents to apply for 2018 grant funding. This year, the Committee has \$300,000 (plus reverted funds) to distribute. Each year, the Mayor and City Council have increased funding for the Jack Hopkins initiative. Indeed, since 1993, the Jack Hopkins Committee has granted approximately \$3.8 million to social service agencies who serve our community's most vulnerable residents.

As funding for the Jack Hopkins program has steadily increased over the last twenty years, so too has our responsibility to be good stewards of this fund – a fund enabled by local taxpayer dollars. As stewards of these dollars, we strive to fund projects that have the potential for lasting change -- projects that will improve the human condition of Bloomington residents in the long run. Please be advised that, depending on the strength of the applicant pool, the Committee may not distribute all of its available funding.

To be eligible for consideration, any proposal must meet the following criteria:

- 1) Address a previously-identified priority for social services funding.**  
The need should be documented in the [Service Community Assessment of Needs \(SCAN\)](#), City of Bloomington, Housing and Neighborhood Development Department's [2015-2019 Consolidated Plan](#), or any other community-wide survey of social service needs. High funding priorities include emergency services (food, shelter or healthcare) or other support services to City residents who are: low-moderate income, under 18-years old, elderly, affected with a disability, or are otherwise disadvantaged.

**2) Function as a one-time investment.**

Hopkins grants are intended to be a one-time investment. This restriction is meant to encourage innovative projects and to allow the funds to address changing community circumstances. While the Committee may provide operational funding for pilot, bridge efforts, and collaborative initiatives, an agency should not expect to receive or rely on the Hopkins fund for on-going costs (e.g., personnel) from year to year.

Please note that the Committee recognizes the growing need for operational funds that do not fit one of the aforementioned exceptions. For that reason, this year -- in addition to accepting applications for operational funds for pilot, bridge, or collaborative programs -- the Committee is again accepting applications for operational funds that *do not* meet one of the exceptions to the one-time funding rule. However, know that preference will still be given to initiatives that are one-time investments. Know further that this new allowance is specific to the 2018 funding cycle; the Committee may not offer this allowance in 2019. Applicants should be advised that, as always, **funding of any project or initiative this year does not guarantee funding in future years.**

*As always, any request for operational funds must be accompanied by a well-developed plan for future funding.*

**3) Leverage matching funds or other fiscal mechanisms.**

Other fiscal mechanisms might include things like number of volunteers or volunteer hours devoted to the proposed project, working in partnership with another agency, and/or other in-kind donations.

**4) Make a broad and long-lasting contribution to our community.**

As articulated by Jack Hopkins, the co-founder of this program: “[P]riority should be given to projects or programs where investments now will have a positive, long-term spillover effect (such as reduced susceptibility to...diseases, decreased absences from school, reducing lost time from work, [alleviating the effects of poverty]...etc.).” Historically, this criterion has excluded funding events or celebrations.

## **COLLABORATION – TWO APPLICATIONS ALLOWED**

The Committee continues to accept applications for collaborative projects that address community-wide social problems and more efficiently meet the needs of social service agencies and agency clients. Note that if you are submitting a collaborative application, you may submit two applications – an individual application on behalf of your agency and another as part of your collaborative proposal. If submitting an application for a collaborative project, note that applicants must submit a MOU as part of their application.

## **ELABORATION OF CRITERIA**

Over time, the Committee has refined each criterion. A detailed explanation of criteria is provided in the Committee’s *Elaboration of Criteria*, posted on the Committee’s webpage. <http://bloomington.in.gov/jack-hopkins>. Agencies are strongly encouraged to review this document.

## OTHER REQUIREMENTS

In addition to satisfying the Jack Hopkins criteria, to be eligible for funding an application must meet the following requirements:

- Hopkins funds are intended to be put to work in the community as soon as possible. For that reason, the Committee requests that funded agencies submit their last claim for reimbursement no later than December 3, 2018.
- The program for which funding is sought must primarily benefit City residents.
- The application must request a minimum of \$1,000.
- The applicant must be a 501(c)(3) (or be sponsored by one). In the event the applicant is not a 501(c)(3) but is sponsored by one, the sponsoring agency must provide a letter acknowledging its fiscal relationship to the applicant.
- One application per agency, unless participating in a collaborative project.

## HOW TO APPLY

To be eligible for consideration, your agency must submit the following:

- ✓ COMPLETED APPLICATION FORM. We encourage applicants to submit their applications in electronic form. Electronic forms are available at: <http://bloomington.in.gov/jack-hopkins>. Agencies may still submit applications in hard copy form.
- ✓ PROJECT BUDGET DETAILING THE USE OF HOPKINS FUNDS
- ✓ A YEAR-END FINANCIAL STATEMENT including fund balances, total revenue and expenditures
- ✓ SIGNED, WRITTEN ESTIMATES for any agencies seeking funding for capital improvements
- ✓ A MEMORANDUM OF UNDERSTANDING signed by all agencies participating in an application for a Collaborative Project

## APPLICATION DEADLINE

**MONDAY, 02 APRIL 2018, 4:00 PM**

Submit a complete application *via*

E-mail [council@bloomington.in.gov](mailto:council@bloomington.in.gov)

OR

Hand or USPS delivery to the Council Office (Suite 110, 401 N. Morton)

*If submitting your application via e-mail, you must call the Council Office (349-3409) to confirm receipt of your application.*

**No late applications accepted.**

## REMINDERS

**Narrative Requirement Eliminated:** Last year, the Committee eliminated the 2-page narrative requirement. Instead, the application form now includes a field at the end of the document that invites agencies to provide additional information the Committee may find useful. Any information provided in this field should supplement, not repeat, information the applicant has otherwise provided.

**Outcome Data for Agencies Granted Operational Funds:** For agencies granted operational funds this year, the Committee is asking that the agency provide outcome data at two points: at the end of 2018 and again by March 1 of the following year. For those granted operational funds, this will be solemnized in the *Funding Agreement*.

## LIVING WAGE REQUIREMENTS:

Starting in 2008, some not-for-profit agencies receiving Jack Hopkins Funds were required to begin the phase-in period of their living wage obligation as defined in the City's *Bloomington Municipal Code* §2.28. For 2018, the Living Wage is \$12.64 per hour. An agency is subject to the Living Wage Ordinance, **only if all three** of the following are true:

- 1) the agency has at least **15 employees**; *and*
- 2) the agency **receives \$25,000 or more** in assistance from the City **in the same calendar year**; *and*
- 3) at least \$25,000 of the funds received are for the **operation of a social services program**, not for physical improvements.

An agency who meets all three criteria is not obligated to pay the full amount of the living wage in the first two years they received assistance from the City, instead they are subject to a phase-in requirement. Please visit [Living Wage FAQs for Non-Profits](#) to learn more.

## HELPFUL HINTS

- **Attend the Technical Assistance Meeting.** While attendance at the Technical Assistance Meeting is not required, it is strongly encouraged -- particularly for new applicants and for those agencies whose applications have not been successful in the past. The Technical Assistance Meeting on Tuesday, 13 March 2018, 4:00 pm in the McCloskey Room (#135).
- **Read the [Elaboration of Criteria](#)** as posted on the [Committee's webpage](#). This document provides further explanation of the Committee's funding criteria. Agencies whose proposals are not successful sometimes fail because the proposal runs afoul of a rule in this document.
- **Keep your application clear and concise.** Remember, in some years, Committee members have had as many as 50 applications to review.
- **Applications should be self-explanatory and self-contained** (i.e., no need for staff follow up; no addenda submitted post deadline)
- **Review an example of [a well-written application](#)** as posted on the Committee's webpage.
- **Peruse other successful applications** as posted on the [Committee's webpage](#).
